1. ENGAGE Installation Guide

Download Link: https://engagevr.io/engage-download-list/

Documentation Link: https://docs.engagevr.io/engage

The ENGAGE app's user interface, including log in, sign up, and main menu, appears consistent across all devices upon launch.

1.1. Installing on Windows PC

Minimum System Requirements:

- Operating System: Windows 10/11
- **Processor:** Intel i5
- Memory: 8 GB RAM
- Storage: 9 GB available space
- **Graphics Card:** Nvidia GeForce GTX 970 or better. Must be a dedicated GPU if using a laptop.

Step 1: Download the ENGAGE app through the Microsoft Store or Direct .exe File.

Step 2: Follow the installation instructions.

Step 3: Upon successful installation, launch the ENGAGE app.

Step 3: Click on the "Sign Up" button and follow the instructions to create an account.

Step 4: Enter your username/email and password and click on the "Log In" button to enter the ENGAGE main menu.

1.4. Installing on Meta Quest VR Headsets

ENGAGE supports the following Meta devices:

- Quest 3, 3S
- Quest Pro
- Quest 2
- Rift S

Step 1: Download the ENGAGE app through the QUEST Store (Link)

Step 2: Upon successful installation, launch the ENGAGE app.

Step 3: Click on the "Sign Up" button and follow the instructions to create an account.

Step 4: Enter your username/email and password and click on the "Log In" button to enter the ENGAGE main menu.

1.5. Installing on Apple Vision Pro MR Headset

Apple Vision Pro support is currently in development as of the time this installation guide was written.

1.6. Installing on Apple Mac

Minimum System Requirements

- **Operating System:** Mojave
- **Processor:** Intel i5, at least 2.0 GHz and over 2 cores. Please note ENGAGE works on M1, M2, and M3 devices, but ENGAGE currently does not officially support them for technical reasons.
- Memory: 8 GB RAM
- **Storage:** 9 GB available space
- Graphics Card: Must be a dedicated GPU and minimum AMD Radeon Pro 560 4GB

Step 1: Download the ENGAGE app via Mac .dmg file.

Step 2: Follow the installation instructions.

Step 3: Upon successful installation, launch the ENGAGE app.

Step 4: Click on the "Sign Up" button (top-right corner) and follow the instructions to create an account.

Step 5: Enter your username/email and password and click on the "Log In" button to enter the ENGAGE main menu.

2. Start an MTU | REEdI METAVersity Session

Step 1: Log in to your ENGAGE account on your preferred device.
